Our neighborhood is using a private online network called Nextdoor Woodcreek, and we think you'll benefit from joining us. On our Nextdoor site, neighbors share community events, recommendations, items for sale/free, crime/safety concerns, ideas about how to make our neighborhood better, and more. Please join us to build a better neighborhood!

1/3 of the neighborhood has already signed up and are using it. You're in control of how much you want to connect with everyone else!
